

**Town of Chesterfield  
Board of Selectmen**

**MINUTES  
March 25, 2013**

**Call to Order**

Chairman Jon McKeon called the meeting to order at 6:00 pm. Others in attendance were Board members Elaine Levlocke, Jim Larkin and Administrator Rick Carrier.

Dan Cotter, Robert and Lee Brockmann were in attendance.

Carrier provided a handout with the answers to questions posed by the Selectboard at the March 20<sup>th</sup> meeting. McKeon noted that the secret ballot issue is actually a non-issue at this time due to the comments by the NH Department of Revenue and the NHMA. Both the moderator and town clerk now agree that Article 3 of the town warrant was voted on as amended.

Jon stated that in his opinion the answer the moderator gave at town meeting regarding the secret ballot was in error.

The Board agreed that there is no further action needed from them regarding the town meeting issues previously addressed.

Cotter stated he will let the Board know how his call with the attorney general's office goes.

Lee Brockmann inquired as to what it would take for town meeting to be held on Saturday as opposed to Tuesday night. Carrier stated he was unsure at this time but that the voting for town officers and zoning articles would still need to take place on Tuesday, Town Meeting day.

The Board voted to enter non-public session per RSA 91-A:3 II (a&c)

Carrier was asked to leave the meeting.

Respectfully submitted,  
Rick Carrier  
Town Administrator
