Jon S called the meeting to order at 6:30 pm

The committee reviewed the minutes of November 17, 2016 and approved them as written.

Jon talked about the report from the committee for inclusion into the Town Report. Jon will draft a report and submit it to committee members for their comments. The final version will be submitted to the town by early February.

Bob Brockmann was in attendance. He asked to speak to the committee regarding a town logo. Bob presented pictures he took for the committee's consideration for an updated town logo. Jorge noted he thought a picture combining one of the town's buildings with a picture of Spofford Lake would be appropriate. Don thought the picture of Spofford Lake should include a sailboat. Mike will take the ideas discussed and will present three choices for the committee's consideration.

Bob and Mike left the meeting at 7:10.

For updates from the town, Rick noted that Dead River's proposal on Mill Road was denied by the Planning Board. There is a application at the Zoning Board being submitted for the property across the road from Dead River's proposal for truck parking for temporary and short term parking and exchange of compressed natural gas trailers.

For discussion on the previous Business Forum, it was noted that attendance was off from the previous business forum. There was discussion on how to refocus the business forum going forward.

Jon handed out notes summarizing the presentation by NH DRED to the committee on November 17, 2016.

For the next meeting, members were asked to bring three items for the committee to focus on for 2017.

Jon would like to invite the owners of Ames Performance to the next EDC meeting. Jeff would like to invite three realtors who work with commercial properties for a future meeting.

The committee will next meet on Thursday, February 16, 2017.

With no other business, the meeting adjourned at 8:05 pm
