

## Chesterfield Cemetery Commission Meeting Minutes - June 12, 2018

Present: Neil Jenness, Chris Flagg, Fran Shippee, Ed Cheever, Cheryl Maibusch

Meeting called to order at 6:35 p.m. at the Spofford Cemetery.

Meeting minutes from May, 2018 were approved.

Chris Flagg, Sexton, reported the following:

So far this season there have been 5 full burials and 5 cremations and there are still some pending including an infant exhumation from Concord.

Chris will be gone June 14 - 25 and Gary will have the phone during that time.

There was a bit of an issue with missing corner markers. They had been bought & paid for but were yet uninstalled. This is the Cemetery Commission's responsibility and it has been taken care of now.

Neil mentioned to Chris that she had received a complaint that the water faucets in Chesterfield West were difficult to operate. Chris will look into that.

Finally, Chris reported that a new door was built and installed on the holding tomb in the Spofford Cemetery. Said tomb was open for inspection at this meeting.

Meeting adjourned at 7:06 p.m. and an informal cemetery walkabout commenced.

- Cheryl L. Maibusch, Cemetery Commissioner
