PLEASE NOTE: ERROR IN CHESTERFIELD SCHOOL BUDGET HANDOUT

KEENE, NH – 03/06/2019: To All Chesterfield Residents, The school budget presented in the Public Hearing handout contained an error on the Revenue Summary on Page 8, column three, titled “2018-19 Budget.” It listed the current Local Property Tax as \$5,776,335, when it should have read \$5,538,127 which is Chesterfield’s current education tax. The error did not include the current years projected tax rate which was correct. It does effect the comparison between this year’s tax rate and next years proposed.

The handout showed a slight decrease in a projected tax rate, however with the error revised it is actually a slight increase in the current tax rate. To be clear, the amount requested in the budget has not changed, and remains the same as presented. To see the revised tax rate you can view the District Meeting Handout at <https://www.sau29.org/>.

For detailed questions please contact:
